LIFE WEST WAVE BROUGHT OVER 1000 ATTENDEES AND BECOMES A ROUSING SUCCESS

Hayward, Calif., August 12, 2011 — ‘The WAVE’ was Life Chiropractic College West’s homecoming event which was held at the Oakland Marriott City Center, Oakland, California, USA on Friday and Saturday, August 5 and 6, 2011. Over 1000 attendees descended on the convention center to hear from Drs. Bruce Lipton, Christopher Kent, Gerard Clum, Liam Schubel, Reggie Gold, James Chestnut, Dan Murphy, Bill DeMoss, Brian Kelly, Angus Pyke, Eric Plasker, Guy Riekeman, Tedd Koren, Martin Harvey, Jeanne Ohm, Terry Yochum, Malik Slosberg, Peter Kevorkian, and Ms. Barbara Loe Fisher, and many of today’s chiropractic’s super stars. With over 39 spectacular presentations, the event offered three tracks including a full-day chiropractic assistant program on Friday, and a day-long series of short, bold presentations on Saturday. Other highlights of this event included the inauguration of Dr. Brian D. Kelly, as only the second president of Life Chiropractic College West, and the Life West Luau where attendees enjoyed live entertainment and music.

Dr. Kelly stated, “This was an amazing event and a testament to what a committed group of people can achieve when driven by an inspiring cause. I am grateful to all who came out to support me and Life Chiropractic College West.”

Life West, established in 1976, is an accredited non-profit institution of higher learning. Currently over 400 students from across the United States and abroad are enrolled, and over 3,700 graduates of Life West are now providing chiropractic care worldwide. The college’s Health Center, a public outpatient facility staffed by approximately 150 senior interns who are guided by licensed doctors of chiropractic, provides affordable health care to more than 1,500 patients per week in the city of Hayward, California. The college and Health Center maintain a Web site at www.lifewest.edu.
