

Student Catalog and Handbook 2019-2020

Addendum – August 14, 2019

Tuition Payment - The Veterans Benefits and Transition Act of 2018 (Public Law 115-407)

Post 911 GI Bill (chapter 33) and VR&E (chapter 31) veterans may attend courses from the date that Life Chiropractic College West is provided with a Certificate of Eligibility or a VAF 28-1905 authorization form. Life West will not impose any penalty or late fees or require the veteran to borrow additional funds to cover tuition due to late payment from the VA. This policy will allow a student to attend Life Chiropractic College West until the VA provides payment to the college or 90 days has passed since the date of certification of benefits for the term.
